MICROFILMED

This questionnaire has been composed according to rules internationally accepted for this special field. The rather detailed questioning is primarily necessary in order to protect persons who are exposed to particular danger because of the national situation. Before you write your answers, read the statement at the end of the questionnaire. Type your answers, or else write them in print letters. If the answer is "no" or "none", please write accordingly. Return the questionnaire to the pertinent office after having completed and signed it. If the space you need for any of your answers is insufficient, use the space under the heading "Remarks".
